

NO SEX & THE CITY FOR KERRY GIRLS!

Girls all over Kerry are waking up to the unbelievable fact that the long awaited "Sex and the City" Movie will not be shown in the two main cinemas in Kerry. However two enterprising businesses in the county have joined forces to ensure that some lucky Kerry girls have their own "New York" Experience. These lucky SATC diehards will travel to Cork in a stretched White Limo to view the film, compliments of one of Kerry's leading salons Sean Taaffe Hair and Beauty and Listowel based VIP Limos.

A draw will take place for clients to win a place in a Chauffeur Driven Stretched White Limo to Cork with Champagne and Strawberries to enjoy on the journey as they watch the world go by. After the lucky girls have OD'd on fashion with the 300 plus clothes changes during the film, gasped at the antics of Carrie and the girls, and caught up with what their four favourite New York ladies have been up to for the past four years, they will be brought back to Killarney in style armed with a goodie bag full of treats from the Salon.
